

Aging and Sleep 2020

International Virtual Meeting from UPENN, Philadelphia, PA, USA
November 9-11, 2020

On behalf of the **2020 Aging and Sleep Conference** (which will be held virtually and is organized by the IASRG), we would like to cordially extend an invitation for your attendance **from November 9-11, from 12:00-3:30 PM EST each day**. The conference will cover a broad range of topics, including basic and clinical sciences.

The conference will be held virtually **on Zoom** and will feature a diverse panel of international speakers and participants. It will include trainee opportunities, a poster session, and other workshops. Funding for this conference is made possible by 1R13 AG069597-01 from the National Institute on Aging.

Presenting speakers will include interactive live Q&A sessions after their talks with multiple symposiums happening throughout each day. Selected submitted abstracts will also be featured as short talks with trainee awards available in multiple categories.

The conference website is: <https://www.med.upenn.edu/aging-sleep/>

We hope that you are available to join us for the conference.

Kind regards,
